

Smashed Lemon

A Palette of
TEXTURES
AUTUMN/WINTER 2026

A Palette of TEXTURES

Smashed Lemon invites you to explore an Autumn/ Winter collection that is less about static style and more about tactile luxury and sensory delight. For A/W '26, we dared to redefine our boundaries, crafting a wardrobe where every piece tells a story of texture, depth, and unapologetic comfort.

The New Hand-Feel: A Sensory Journey
A Palette of Textures is a curated menu of innovative materials, ready to be layered and loved. Sophisticated dressing begins with the irresistible contrast of textures:

Cozy & Warm: Dive into the embracing softness of fluffy fabrics and comforting soft knits like boucle, creating silhouettes that are inherently inviting.

Lustrous & Bold: Discover the unexpected high-shine drama of gleaming sequins and sleek shiny PU.

Smooth & Rich: Experience classic luxury with the fluid drape of satin and the grounding feel of rich suede and essential denim.

The Deliciously Chic Palette
From the comforting warmth of Glazed in Coco and Wrapped in Copper Warmth to the signature vibrancy of Strawberry Latte, our grounding neutrals and delicious colour pops provide the perfect canvas for these new, exciting textures.

A Palette of Textures is our most innovative collection yet. It's an invitation to your customer to dress with confidence, prioritizing both sophisticated style and genuine comfort.

We are delighted to present **Strawberry Latte**, the launch color and fabric story for our Autumn/Winter 2026 collection. This drop establishes a refined, premium tone, capturing the essence of cozy sophistication for the season.

The harmonious palette features a delicate Baby Pink balanced with key neutrals: rich Dark Taupe, cool Light Taupe, and creamy Off-White.

Our focus is on tactile luxury and superior quality. Key items include plush, soft-textured knits (Baby Pink and Taupe) that offer warmth and lightness, complemented by structural pieces like Taupe denim and suede coordinates.

Strawberry Latte combines aspirational softness with commercial practicality. The sophisticated neutrals provide a strong wardrobe foundation, while the Baby Pink offers a fresh, modern appeal. This drop is strategically positioned to deliver high-performance, trend-aligned pieces for the elevated luxury consumer.

Dusted in Denim is a modern and commercially strong Winter 2026 group that redefines denim for the colder season. Striped geometric prints add a graphic, contemporary touch, while heavy, modern denim styles form the core of the group. Fluffy textures and puffer silhouettes bring warmth and volume, creating a strong outerwear offering for winter. PU and shiny fabrics add contrast and a fashion-forward edge, elevating the group with a clean, urban feel.

The colour palette is cool and versatile, built around deep denim blue and balanced with off white and refined shades of taupe. **Dusted in Denim** delivers a solid mix of statement and core pieces that are easy to combine, making this group a reliable choice for retailers looking for modern denim-driven styles with strong sell-through potential for Winter 2026.

Frosted in Grace is a feminine and commercially strong Winter 2026 group that blends timeless details with a modern seasonal feel. Classic polka dot prints are refreshed through contemporary silhouettes, while PU textures add a clean, fashionable edge. Soft fluffy materials and smooth satin fabrics bring contrast and comfort, creating a rich mix of textures suitable for winter dressing. Bold bow design details add a clear fashion statement, giving the group a distinctive yet wearable character.

The colour palette is light and refined, combining icy blue and off white with warm sand and deep chocolate tones for balance and versatility. **Frosted in Grace** offers easy-to-style pieces with strong visual appeal, making this group an attractive choice for retailers looking for feminine styles with reliable sell-through potential for Winter 2026.

Wrapped in Copper Warmth is a rich and expressive Winter 2026 group designed to bring depth, texture and seasonal impact to the collection. Animal-inspired prints add a bold yet wearable statement, while PU textures introduce a modern, fashion-forward edge. Bouclé surfaces and heavy knits deliver warmth and structure, making the group ideal for winter layering. Smooth satin contrasts with tactile fabrics, and bold glitter accents provide eye-catching highlights for key statement pieces.

The colour palette is warm and inviting, centred around burnt orange and balanced with off white, sand and refined copper-gold tones. **Wrapped in Copper Warmth** offers a strong mix of statement and core styles, giving retailers versatile options with high visual appeal and solid commercial potential for the Winter 2026 season.

Glazed in Coco is a strong and versatile Winter 2026 group designed to perform across key seasonal categories. The collection combines clean geometric prints with a soft, romantic outline floral, creating a modern look that remains easy to wear. PU textures add a fashionable edge, while fluffy materials bring comfort and warmth, ideal for winter layering. Subtle gold sequins introduce a touch of shine, giving selected styles added appeal without overpowering the look.

The colour story is timeless and commercial, featuring black, off white and sand, complemented by two rich chocolate shades that add depth and warmth. **Glazed in Coco** offers well balanced statement pieces that are easy to combine and style, making this group a reliable choice for strong sell-through during the Winter 2026 season.

Soft Malbec is an elegant and commercially appealing Winter 2026 group that combines timeless prints with rich winter textures. Feminine floral designs are balanced with clean geometric prints, creating a versatile mix that works across day-to-evening styling. Bouclé fabrics and heavy knits add warmth and structure, while smooth satin elements bring a soft, polished contrast. The overall look is refined and easy to wear, with a focus on elegant silhouettes and seasonal comfort.

The colour palette is sophisticated and warm, built around deep Bordeaux tones and balanced with off white and sand for versatility. **Soft Malbec** offers strong key pieces that elevate the winter assortment, making this group an attractive choice for retailers seeking elegant styles with reliable sell-through potential for Winter 2026.
